This Supplementary Prospectus supplements, updates and forms part of the Base Prospectus, and should be read and construed in conjunction therewith, together with a supplementary prospectus to the Base Prospectus approved by the FSA on 11 May 2012, a supplementary prospectus to the Base Prospectus approved by the FSA on 13 July 2012 and a supplementary prospectus to the Base Prospectus approved by the FSA on 24 August 2012. This Supplementary Prospectus has been approved by the FSA as a supplement to the Base Prospectus issued in compliance with the Prospectus Directive and relevant implementing measures in the United Kingdom.

The purpose of this Supplementary Prospectus is to:

- (a) incorporate by reference the Guarantor Results; and
- (b) update the description of the Guarantor.

Guarantor

The description of the Guarantor in the Base Prospectus is updated with the following information:

Voluntary share exchange

On 11 October 2012 the Board of Directors of the Guarantor announced its support for a voluntary share exchange offer (the "**Exchange Offer**"), the initiation of which pursuant to Greek law was announced on the same date by Coca-Cola HBC AG, a newly formed Swiss company ("**Coca-Cola HBC AG**"), to acquire all outstanding ordinary shares of the Guarantor (each, a "**Coca-Cola Hellenic Share**") and all American depositary shares of the Guarantor, each representing one ordinary share of the Guarantor (each, a "**Coca-Cola Hellenic ADS**"), which Coca-Cola HBC AG does not hold directly or indirectly, for new ordinary shares of Coca-Cola HBC AG (each, a "**Coca-Cola HBC AG Share**") or new American depositary shares, each representing one Coca-Cola HBC AG Share (each, a "**Coca-Cola HBC AG ADS**").

Coca-Cola HBC AG has announced that the purpose of the Exchange Offer is to facilitate (i) a premium listing of the Hellenic Group on the London Stock Exchange and the potential inclusion of the Hellenic Group in the FTSE 100 and (ii) a listing on the New York Stock Exchange under a new Swiss holding company, Coca-Cola HBC AG. Coca-Cola HBC AG will at the same time apply for a parallel listing of the Coca-Cola HBC AG Shares on the Athens Exchange, subject to the necessary approvals.

The Guarantor does not expect the Exchange Offer to have any impact on the Hellenic Group's business, strategy and operations and the Hellenic Group intends to maintain production and distribution of its products in Greece and to operate its Group Corporate Service Centre in Athens, which supports operations in 28 countries. TCCC has informed the Guarantor that it will extend the terms of the Hellenic Group's bottlers' agreements with TCCC through to 2023.

There can be no guarantee that the Exchange Offer will fully achieve the objectives and benefits described above. The circumstances which could result in this include, among other things, the possibility that holders of Coca-Cola Hellenic Shares and Coca-Cola Hellenic ADSs may opt for cash rather than share consideration in any subsequent Greek compulsory buy-out or sell-out procedure, thus increasing the leverage of Coca-Cola HBC AG and the Hellenic Group.

The summary of the Base Prospectus is updated in line with the update above of the description of the Guarantor and is as set out in Schedule 1 to this Supplementary Prospectus.

Each of the Issuer and the Guarantor accepts responsibility for the information contained in this Supplementary Prospectus. Each of the Issuer and the Guarantor declares that, having taken all reasonable care to ensure that such is the case, the information contained in this Supplementary Prospectus is, to the best of its knowledge, in accordance with the facts and contains no omission likely to affect its import.

This Supplementary Prospectus and the Base Prospectus are to be read and construed in conjunction with all documents which are incorporated herein and therein by reference.

To the extent that there is any inconsistency between (a) any statement in this Supplementary Prospectus or any statement incorporated by reference into the Base Prospectus by this Supplementary Prospectus and (b) any other statement in, or incorporated by reference into, the Base Prospectus prior to the date of this Supplementary Prospectus, the statements in (a) will prevail.

To the extent that any document or information incorporated by reference or attached to this Supplementary Prospectus, itself incorporates any information by reference, either expressly or impliedly, such information will not form part of this Supplementary Prospectus for the purposes of the Prospectus Directive, except where such information or documents are stated within this Supplementary Prospectus as specifically being incorporated by reference or where this Supplementary Prospectus is specifically defined as including such information.

Save as disclosed in this Supplementary Prospectus and the Base Prospectus, there has been no significant new factor, material mistake or inaccuracy relating to information contained in the Base Prospectus which is capable of affecting the assessment of Notes issued under the Programme since the publication of the Base Prospectus.

Investors should be aware of their rights under Section 87Q(4) of the Financial Services and Markets Act 2000, as amended. An investor which has agreed, prior to the date of publication of this Supplementary Prospectus, to purchase or subscribe for Notes issued under the Programme may withdraw its acceptance before the end of the period of two working days beginning with the first working day after the date on which this Supplementary Prospectus is published in accordance with the Prospectus Directive.

Schedule 1

SUMMARY OF THE PROGRAMME

This summary must be read as an introduction to this Base Prospectus and any decision to invest in the Notes should be based on a consideration of the Base Prospectus as a whole, including any documents incorporated by reference. Following the implementation of the relevant provisions of the Prospectus Directive (Directive 2003/71/EC) in each Member State of the European Economic Area, no civil liability will attach to the Responsible Persons in any such Member State solely on the basis of this summary, including any translation thereof, unless it is misleading, inaccurate or inconsistent when read together with the other parts of this Base Prospectus. Where a claim relating to the information contained in this Base Prospectus is brought before a court in a Member State of the European Economic Area, the plaintiff may, under the national legislation of the Member State where the claim is brought, be required to bear the costs of translating the Base Prospectus before the legal proceedings are initiated.

Words and expressions defined in "Forms of the Notes" or "Terms and Conditions of the Notes" below or elsewhere in this Base Prospectus have the same meanings in this summary.
